

SIMPLIFY YOUR PROJECT WORKFLOWS

VIEW PHOTOS AND FLOOR PLANS FROM ANYWHERE

- Identify what's inside your project's walls, floors, ceilings, and building envelope at any time.

ADD YOUR OWN PHOTOS

- Supplement Multivista's comprehensive photo documentation with photos you take and upload in the field.

ZOOM IN WITH INCREDIBLE CLARITY

- Inspect high-resolution details right from your mobile device.

NEW!

PHOTO MARK-UP

- Add comments or annotations to any photo to highlight and share issues discovered in the field.

NEW!

PIN PHOTOS TO FLOOR PLANS

- Snap your own site photos and attach them to your floor plans for quick retrieval.

SHARE PHOTOS

- Select photos to share with the project team, specific people or mark them for your eyes only.

HI-RES, LIVE STREAMING WEBCAMS

- Real-time, remote access to your project's live webcams.
