

MULTIVISTA VIDEO

MULTIVISTA VIDEO allows users to maintain a record of the “As Delivered” construction events. **MULTIVISTA VIDEO** is perfect for those dynamic construction events that can only be memorialized via Audio and Video.

Use Multivista Video to Capture

- Building Walkthroughs
- Equipment Inspections
- Specialized Equipment Installations
- Facilities Maintenance Instructions
- Training Sessions
- Special Events or Ceremonies

The **MULTIVISTA VIDEO** service offers our clients a professional, HD solution for facility maintenance in a live-motion format. The videos are the perfect compliment to the existing photo documentation features of the Multivista Documentation System.
