The screenshot displays the Multivista web application interface. At the top, there are navigation tabs: ACTIVITY, MAP, FAVORITES, and WEBCAMS. Below this, a 'My Projects' section lists projects like 'BR 0361-088' at '16586 Cherryvale Road', 'Rome Towers' at '1760 E Pecos Rd', and 'High Rise'. A map of Phoenix is shown with project locations marked. The main content area is divided into 'HOME', 'PHOTOS', 'FLOORPLANS', 'TEAMTALK', 'FILES', 'WEBCAMS', and 'PEOPLE'. The 'PHOTOS' section shows a list of photo categories and a grid of 'Multivista Photos'. The 'PHOTO-VIEWER' is shown in the foreground, displaying a large photo of a construction site with an orange circle and arrow annotation. To the right of the photo viewer, there are controls for 'Save', 'Print', and 'Email', along with a 'Second Floor Go to Floorplan' section showing a floor plan with a highlighted area.
