

4 REASONS FRANCHISE OWNERS THRIVE WITH MULTIVISTA

Don't just believe us when we say Multivista franchise ownership is an incredible opportunity. Listen to the people who have transformed their Multivista franchises into exciting, growing businesses.

1 The ability to start your own business with the support of a world-class organization

"It's the best group of people I've ever worked with. They're diligent, professional, and knowledgeable. It's nice to be part of a system where you don't worry about your investment."

— **Michael Dorman**, *Multi-Unit Franchise Owner, USA*

"Corporate continues to invest in technology and R&D so we can sell new products, focus on executing sales, and not worry about the other stuff."

— **Andrew Duffel**, *Multi-Unit Franchise Owner, USA*

"What attracted me to becoming a Multivista franchisee is the opportunity to grow a large and sustainable business that should be profitable for us for many years to come."

— **Charles Hill**, *Franchise Owner, England*

2 The encouragement of a family of franchise owners that are always willing to help

"There's a real sense of family and community within Multivista. Everyone knows each other, and I like that we're doing something different and the freedom that gives me. The support structure is great."

— **Chris Vance**, *Multi-Unit Franchise Owner, Canada*

3

The chance to revolutionize a traditional industry with a cutting-edge product

“The opportunity that’s ahead of us is incredible. We are so unique. There is no one out there like us and, combined with the technology that’s coming, it’s incredible to think what the next five or ten years will look like.”

— **Kristi Vick**, *Franchise Owner, USA*

“There’s massive potential in Europe and the U.K. There’s nobody else that does it so we’re in a unique market, and that’s why I’m encouraging other guys to get in.”

— **Alan Bryant**, *Multi-Unit Franchise Owner, United Kingdom*

“We’re streamlining processes from build through facilities management better than any solution out there. No other system is as transparent as a photo. It’s not a drawing or rendition — it’s real.”

— **Brian Altus**, *Franchise Owner, USA*

4

The value of delivering a valuable, straightforward service

“The feedback that I get from clients about our service is that it’s very complete. It’s something that they didn’t realize they needed until they had it. The feedback is very, very good.”

— **Angel Davila**, *Franchise Owner, Panama*

“If you like solving problems, and you like filling a need, Multivista is the way to go.”

— **Cassi Holmes**, *Franchise Owner, Canada*
